**Abel Irrigation and Lighting is  
licensed for all  
phases of landscaping.**

We are committed to the study and understanding of the mechanics of how to deliver light as well as the mechanics of how the human eye and brain work together to perceive and interpret that light. We embrace this study and practice as a means to provide our clients with an ever increasing standard of quality and value.

**Abel Irrigation & Lighting** is a full service Landscape Contracting business specializing in the design, installation and maintenance of Sprinkler Systems and Low Voltage Outdoor Lighting in the Portland, OR Metro area. The vast majority of our work comes from referrals. People refer us because we take pride in our work. Our sprinkler and lighting systems are better because we design them better, we install them better and we use the best components.
